- NEW release sire amongst the Poll Hereford line-up at Genetics Australia for 2023.
- A trans-Tasman pedigree that is nicely balanced with this reliable Australian cow family and further enhanced by New Zealand sire lines from the Limehills and Otapawa herds.
- A high performer at the top end of his contemporary group, Wirruna Saint S064 was used in the Wirruna herd as a yearling sire to capture his excellent carcass attributes and strong growth, without compromising calving ease traits.
- Offers a tremendous profile across all carcass traits highlighted by his TOP 5% EMA and IMF breeding value, combining exceptional growth and all made available in a superior shorter Gestation Length and below average Birth Weight package.
