•Headline was admired for his superior visual quality, outcross genetics, and powerful design at the 2021 Bred for Balance Sale. The extra substance, base width and muscle that he combines, while maintaining style and near-perfect structure is truly impressive. Leading his ET contemporaries, he lands in the Top 1% for API & top 10% for TI and Top 10% for BW. Headline is a maternal brother to Hook's Eagle, perfect outcross to Cowboy Cut and Beacon descendants, with the genetic predictability needed to be a generational sire. Homozygous Black, Homozygous Polled, Grade 1 registered in Australia
